

BIPOC ACTOR TRAVEL FUND FACT SHEET

To create a more **diverse, accessible,** and **inclusive** arts community,
The Arts HUB is now offering a **BIPOC Actor Travel Fund.**

- **Why do you have this fund?**

We recognize that, historically, people who identify as BIPOC were not always afforded the same opportunities in theatre as people who identify as white.

We at The Arts HUB want to correct this historical injustice by conscientiously offering opportunities for BIPOC people to perform with us.

However, we further recognize that BIPOC people will likely have to travel further than other members of our community to participate in these opportunities. Therefore, we wish to offer our BIPOC Actor Travel Fund to defray costs related to commuting to and from our facility in Lafayette, CO.

- **What does the fund cover?**

This fund can cover gas costs related to commuting to and from our rehearsals and performances.

- **Who can apply to the fund?**

We encourage all auditioners who identify as BIPOC to apply to this fund during our audition process.

- **How do I apply?**
